## **bin TAKES SHORT JAUNT TO NEW LOCATION**

***Larger waterfront opportunity compels popular new concept – bin on the lake – to move a few doors in an early June move***

KIRKLAND, WASH.—April 06, 2009— Crediting strong business, an even more prime waterfront location, and enough space to easily double in size, **bin** has announced plans to move a few doors to the plaza level of 1270 Carillon Point. The space, familiar to many as the outgoing Yarrow Bay Grill, recently became available; the **bin** team readily seized the opportunity and expects to operate there as early as the third week of June. The current bin viviant location will remain open until the new space is ready, allowing for continuous, uninterrupted service.

“This exciting move will enable the **bin** team the space they need to grow their popular food and wine pairing programs with the added advantage of a dedicated, easy-to-access, prime waterfront location overlooking the marina at Carillon Point,” said Ken Batali, noted restaurant consultant working on the project for Carillon Properties.

**bin on the lake** will serve local, seasonal American fare in a relaxed and convivial view-setting, offering more than 80 wines by the glass in 1, 3 and 6 ounce pours from its state-of-the-art Enotech preservation system, one of the largest on the West Coast. The restaurant features an extensive variety of small plates, large plates and small bites platters for sharing and pairing with the extensive wine selection. The new layout will provide a comfortable fireside lounge, water view seating from every table, a new private dining room, and seasonal patio seating with expansive lake views. Expect the same compelling events at the new location, including daily occurring early-evening and late-night “Wine-Time Happy Hours” and “bins-days”, a weekly series of engaging wine-socials hosted by guest “wine-tenders” every Wednesday evening.

**bin** will continue to operate in its current location until renovations are completed in the new environment. “At this point we don’t anticipate any down time at all,” said Batali. He expects the majority of the **bin** family to transition to the new location, and plans to add more staff members in the future.

Currently housed in the Woodmark Hotel, Yacht Club & Spa, serving breakfast, lunch, dinner and weekend brunch through April, May and early June, the new **bin** on the lake will be re-located lakeside at 1270 Carillon Point in mid June. **bin** on the lake will be open for dinner daily from 5:00 PM. Wine-Time Happy Hour is held nightly from 4:30 to 6:30 p.m. and 9:30 p.m. to close. Celebrate “bins-days” with guest wine-tenders every Wednesday from 5 to 6:30 p.m. Easy valet or self parking is available at the Carillon Point garages (complimentary in the evenings and on weekends.) Learn more about **bin** at <http://binonthelake.com>; (425) 803-5595.
